500

Yellow Dust Cloth

STRENGTH AND PERFORMANCE:

These high-performance, pre-treated cloths are designed for efficient and effective dry dusting. Engineered to lift and trap dust, lint, and fine debris, they are ideal for use across a wide range of environments, from commercial cleaning to industrial maintenance.

Multi-Purpose Cleaning:

Use them to dust desks, vents, furniture, blinds, and electronics in commercial spaces. They're also ideal for wiping machinery and prepping surfaces in industrial settings, or maintaining cleanliness in retail displays, restaurant counters, and hotel lobbies. Popular in auto detailing and paint prep too.

CONTAINS:

500 sheets of 16"x24" Yellow Dust Cloths.
