## HEAVY DUTY WIPES

### STRENGTH AND PERFORMANCE:

These wipes are reinforced to stay strong, maximizing cleaning performance. Also used as rag replacements because they absorb water faster than traditional rags.

### HEAVY-DUTY TASKS:

These durable wipes absorb more water and oil than textile shop rags and stay strong. Great for cleaning abrasive surfaces, machine and tool part wiping and absorbing industrial size spills.

### CONTAINS:

475 sheets of 11.8"x13" Heavy Duty Wipes.
